KNOWLEDGE MADE USEFUL

Energy Inquiry Committee

Meeting 3

Monday 5 June 2017

Present:

Sir Muir Russell (Chair)	Prof Stephen McArthur	Craig Denham (Secretariat)
Prof Rebecca Lunn (Deputy Chair)	Prof Pete Smith (via conference call)	Holly Fleming (RSE)
Prof Gareth Harrison	Prof Jan Webb	Hannah Robertson (RSE)
Prof Gavin Little		Jenny Liddell (RSE)

Apologies were received from Prof Simon Harley, Prof Karen Turner, and Prof John Underhill.

The meeting opened at 2pm in the Kelvin Room of the Royal Society of Edinburgh.

1. Attendance was confirmed and apologies received.
2. The minute of the previous meeting was approved.
3. The consultation document, to be published at the launch of the Inquiry, was discussed.
4. The Committee considered which issues they wished to discuss at the upcoming meeting with staff from the Scottish Government Energy and Climate Change Directorate.
5. The Committee agreed to the final plans for the Inquiry launch event on 15 June 2017.
6. A communication and media strategy for the project was discussed.
7. Potential areas of research that could be undertaken as part of the Inquiry were raised.
8. It was agreed that the next meeting of the Committee would occur following the launch event.
